

Welcome to Food Family!

This website has been created to promote food education and share free food resources in Los Angeles. This website uses a crowdsourcing model to retrieve information on resources!

There are three basic tools on this website:

Share →

Have a resource for free food you'd like to share? Click "Share" to provide information about your resource and offer support to your food insecure neighbors.

Find →

In need of food? Click "Find" to use our easy-to-navigate map, search, and resource list.

Learn →

Interested in learning more about hunger? Click "Learn" to find out more about the global issue, how it affects Los Angeles residents, and where you stand .

What it means to share a resource

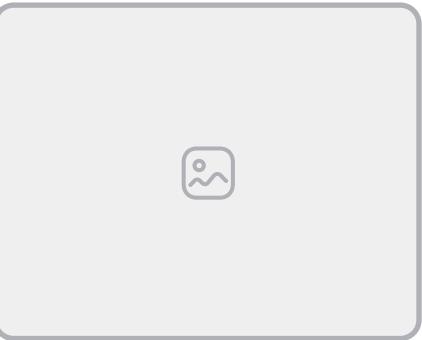

We appreciate your interest in sharing a resource to your Los Angeles community!

These resources will all be shared under our “Find” tab. Within this tab, these resources will be visible via a map (on the left) and list (on the right). All resources shared are vetted by our staff to ensure reliable access.

If you wish to continue, please click the button below to get started!
